

PATHWAY TO PURPOSE | 3yr Content Map

The Pathway to Purpose structure is built around the four pathways:

(When using a digital PDF, click these P2P Topics to access the resources available within each development pathway)

[LIFE DEVELOPMENT](#) which leads to Spiritual Maturity (SM)

[LEADERSHIP DEVELOPMENT](#) which leads to Servant Leadership (SL)

[BUSINESS DEVELOPMENT](#) which leads to Business Excellence (BE)

[KINGDOM DEVELOPMENT](#) which leads to a Kingdom Company (KC)

In addition to the topical collection of FCCI content in the 4 Pathways, we've also created a 3 year plan, providing a healthy development process that could be repeated on a 3 year rotation. Access the entire year's content by clicking on the "Year One", "Year Two" or "Year Three" headings. We've included excess content (more than 52 weeks) in each year's plan, so you can make selections based on the needs of your group's journey together.
